“The Professional Connection for Women”

Presidents Message:

Dear Gamma Ladies,

Welcome to Autumn! It seems like it was just a couple of days ago that we had the Annual Business Meeting, but then I realized it is the beginning of October. Thank you to **Jenny Hanlon** and her committee for all their hard work in planning this very important meeting. The Yard House was fun, the food was delicious and the budget was approved!

As you are all planning your BUSY fall schedules at work, I would like to remind you all of a couple of dates to place on your calendar. **Bosses Day** will be held on **Thursday, October 14** at the **Newport Aquatic Center from 11:30am-1:30pm**. This prestige Gamma Chapter event is a great way to show appreciation to our bosses and to let them see, firsthand, what Women in Leisure Services is all about. **Allison Lewis** and her committee are planning a fun time for all and you can ride in a double-hulled outrigger canoe!!! You won't want to miss this one. Because we all have so much stress at work.....does this count as “work-related therapy”?

Now's the time to set aside your gambling money and practice your Poker face so that you can win **BIG** at the **2nd Annual Casino Night** scheduled for **Thursday, November 4th from 5:30-8:30pm** at the **Cypress Community Center**. Bring your friends, co-workers and significant others because this event is a fundraiser for Gamma scholarships. You are guaranteed to have a fantastic time at this event! **Shelly Meyers, Kristina Freeman** and their committee are hard at work planning this event for all of you.....so mark this on your calendar. If you are interested in donating prizes, please call one of the committee members. We also hope to see many of our Life Members at this fun, social event!

Lindsay Cutrell and **Morgan Gonzalez** are planning the upcoming Holiday Breakfast in December. If you are interested in helping to make this event Merry, please give them a call.

“I am sure most of you by now have heard that Life Member, Nancy Lerner-Boone passed away on October 4th. Nancy is the person who introduced me to WILS and enthusiastically brought me along to my 1st event, the Holiday Boutique (as it was called at the time). She introduced me to the members and encouraged my involvement. I enjoyed working for Nancy and our continued friendship over 15 years. Thanks Nancy! You will be missed by many!”

Just a reminder to our newer members, the best way to meet other WILS members is to get involved!!!

Hope to see you all soon!

TURKEY fun facts

Pull out a little trivia while around the table with the family this season.

Did you know...

- A spooked turkey can run at speeds up to 20 miles per hour. They can also burst into flight approaching speeds between 50-55 mph in a matter of seconds.
- Turkeys can drown if they look up when it is raining.
- A wild turkey has excellent vision and hearing. Their field of vision is about 270 degrees. This is the main reason they continue to elude some hunters.

National News

NOTES FROM NATIONAL

It is an honor to serve as your National President. We are fortunate to have a dynamic, professional and dedicated board this year. As you know, WILS is a unique organization that fosters career development, networking, support, and professional benefits just for women. At our national board meeting we agreed to work on the following goals:

- **Branding:** We launched this initiative in 2007 and would like our forms to be standardized with all chapters using the logo and tag line, "The Professional Connection for Women."
- **Technology:** We began using FaceBook in 2010 and will encourage more "friends" to take advantage of this new communication tool. We will make strides to update the page more frequently to stay very current with news. We will soon develop a calendar of all chapter events which will be prominent on the National web page.
- **Chapter Development:** We have a purple ribbon committee who made a trip to Illinois to meet with 15 very interested women ready to start a new chapter. There is some interest brewing in Missouri as well.
- **Celebrate:** As part of the 75th anniversary, the Zeta chapter will host a social at the NRPA congress for WILS members and their guest. At that time the Helen I Pontius award will be given to Terri St. Sauver from the Zeta Chapter.
- **Stay Connected:** We want to remind all members the importance to connect with your members. It is such an important part of who we are and we give support to all members.
- **Budget:** The board is committed to helping chapters sustain themselves in the current economic climate.

As a board, we are committed to reaching the goals we established and serve the membership as best as we can. We encourage all members to stay active in their local chapters. If any one of the board members can be of assistance, do not hesitate to contact one of us. Our next meeting will be held in the spring of 2011 in the City of Lakewood. A spring membership luncheon will follow and provide members with the opportunity to network and share in the organization's progress. Let's have great year!
