The National Board just finished their fall meeting in the City of Oceanside. We worked hard and had lots to discuss and plan for the coming year. We're gearing up for our organization's 75th Anniversary year in 2010 and have some very special events planned. If you would like to serve on any of these committees, please let Allison Brammer abrammer@lakewoodcity.org know and she'll get you connected. For now, plug these dates into your 2010 Calendars!

75th WILS National Anniversary Events in 2010

Wednesday, March 10 – National Luncheon – Palm Springs

Thursday, March 11 – Wine/Cheese Social (evening) – Palm Springs area

Thursday, September 23 – Fall Gala Event (evening) – location TBD

\$750!!! News - The National Board responded to a request made by the Gamma Chapter to provide funding assistance to help offset the costs of several events this year. It was approved for up to \$750 of the chapter development account category of the National Budget to Gamma for helping with membership retention and chapter development. Way to go!

National Directory – The National Directory will be sent to members once finalized. Expected date is mid-to late October.

National Board Installation Event – The National Board was installed at the annual membership meeting on Tuesday, September 15 at the brand new El Corazon Senior Center in the City of Oceanside. A good showing of Gamma members were in attendance including some dedicated Life Members. We had a tasty catered lunch and a short program by guest speaker, Sheryl Roush the "Sparkletude Lady." The 2009 Helen I. Pontius award winner was re-presented her award. Zeta Chapter member, Donna Tilsner from Minnesota, was selected as this year's HIP recipient. She gave a wonderful acceptance speech and was truly honored to receive our organization's highest recognition. Donna is the new National Vice-President and will continue be a great leader for WILS in this leadership role.

The Chi Kappa Rho Women in Leisure Services Organization was founded in 1935 by Helen I. Pontius, a recreation professional in Los Angeles, California. The "Helen I. Pontius National Award of Merit" was created to honor of this phenomenal woman and founder of WILS.

Sue Leto has decided to take the "SHAKE", the Golden Handshake and retire. Her last day with the City of Yorba Linda was Thursday, October 1. She plans on pursuing a different career in the private sector; however, will stay grounded with the profession she loves the most, PARKS AND RECREATION as she believe it has the most positive impact on us and our communities. She would like to thank you having such a significant part in my career.

CONGRATULATIONS Sue!!!

AUGUST BUSINESS MEETING

Approximately 50 members attended the August Business Meeting held at BJ's at the Irvine Marketplace on August 13th. A delicious all-you-can-eat buffet meal was served and the 2009-2010 budget was approved. While discussing the budget, the issue arose about whether or not the Gamma Chapter should continue to support the CPRS California Regional Scholarship during leaner budget years. The members voted and approved that Gamma would not support this scholarship for the current 2009-2010 year, but instead, would look at it on a year to year basis and make a decision based on the budget. The meeting concluded with raffle prizes, a 50/50 raffle and delicious Pizookies for dessert.
